EXPERIENCE

CURRENT	D3 SECURITY Senior Multimedia Designer	VANCOUVER
	Responsible for creating multimedia and video content, designing, and executing on print and web-based marketing content, liaising with third party vendors regarding design projects, assisting in the creation of blog posts, product guides, diagrams, documents and other forms of content and implementing design and brand trends prevalent in the cyber security industry.	
2016-2017	BINUMI Head of Creative	HONG KONG/ BANGKOK
	Developed new and original content, concepts, and user-centered design solutions from pitch to pilot. Oversaw over 30 talented developers programmers and designers in both Thailand and Vietnam helping to elevate the work to ensure the best creative solutions were created. In charge of the development of a cloud based video production website and mobile application to ensure an optimal UX while also producing video templates that included storylines, footage, 3-D animations, overlays and special effects.	
2015-2016	SMARTBOX Multimedia Designer	UK/BANGKOK
	I helped create solutions that helped people with disabilities that could not access a computer with a keyboard or mouse. I created interactive animated activities for assistive technology solutions that enabled people to learn through exploration and play.	
2011 - 2014	FUTURE THINKING Senior Multimedia Designer	LONDON-UK
	I worked on graphic design, including web design, infographics, video editing, and motion graphic solutions. In addition to design, I worked with a team of creatives and marketing executives across disciplines to develop, frame and execute creative concepts according to brief requirements based upon client needs.	
2010 - 2011	PLUS TWO Multimedia Designer	LONDON-UK
	I developed cohesive visual brand identities, web design, multimedia animated presentations, 3D interactive animations, brand communication materials and Flash programming.	
2009-2010	VIRTUAL PUBLISHING HOUSE Web Designer	LONDON-UK
	Responsible for developing and executing creative concepts for leading-edge marketing and web solutions. Worked on web design, interactive web experiences, and video editing. Scouted film locations, filmed, and did sound engineering and editing. Worked as a frontend developer for content management systems.

RECOMMENDATION

“Denis is a talented designer and artist. He was a great addition to our studio team, both professionally and in terms of his contribution to the office dynamic. His easy going nature and excellent communication skills made him a pleasure to have around, and his commitment to quality work meant that I could rely on him to go the extra mile when necessary.”

Erin Leuschke
Co-founder and Digital Director
at We3

Languages: Italian (native) / English (fluent)

Few words to describe me: creative, fast-paced, passionate about design, detail-oriented, flexible, resourceful, good communicator, self starter.

WHO I AM IN A NUTSHELL

I am a multidisciplinary Senior Designer/Art Director with over a decade of experience working in agencies and on freelance projects in and around London (UK) as well as Southeast Asia. Having worked in leading agencies and companies, I am able to apply a range of disciplines and creative solutions to develop and explore ideas for clients' briefs and projects. I have been very fortunate to have worked with a number of prestigious clients including McDonalds, BMW, Sony, Microsoft, Nokia, The London Olympic Games, Mercedes Benz, and Virgin Atlantic to name a few.

I have diverse experience in traditional brand development, graphic design, digital and web design, advertising, 3D animation, video production, and hand-drawn illustrations. I am self-motivated, commercially driven and a proactive organiser who is confident, articulate, resourceful, and a committed team player and leader. An ideas-based designer, I love thinking outside of the box to make creative ideas and campaigns come to life.
